

Village of Northbrook

Notice of Service Rate Adjustment

Effective
September 1, 2026

Dear Valued Northbrook Customer,

To continue delivering the reliable, sustainable service our customers expect, **LRS will implement a rate increase of 3.3% effective September 1, 2026, for solid waste and recycling services.**

This increase is based on the local Consumer Price Index that is defined in the Village's residential services agreement with LRS, which is intended to keep rate adjustments as modest as possible.

We are incredibly grateful for the opportunity to serve as your waste, recycling and organics hauler and look forward to providing you with the same exceptional service you are accustomed to. Thank you for your continued trust in LRS.

Sincerely,
The LRS Team
