VILLAGE OF LISLE AND LAKESHORE RECYCLING SYSTEMS NEW WASTE COLLECTION PROGRAM

Lakeshore Recycling Systems (LRS) looks forward to its partnership with the Village of Lisle. Beginning the week of **July 1, 2018**, your new waste, recycling and yard waste provider will be LRS. As part of this transition, the service options will be increasing, and will come at a lower price.

YOUR NEW SERVICE DAY WILL BE WEDNESDAY and all households will receive a free recycling cart prior to July 1, 2018 that will be serviced once per week. You have the opportunity to choose your preferred recycling cart size before service begins on July 1. Please fill out the enclosed survey if you would like to sign-up for our weekly subscription garbage cart service option instead of participating in the Pay-As-You-Throw program (sticker program at \$3.00/sticker). **Please do not purchase Republic stickers after June 30, 2018.**

Lakeshore will provide a grace period where stickers issued by Republic will be accepted for the first two pickups, on Thursday, July 5 (there will be no pickup on July 4th due to the holiday) and Wednesday, July 11. Those having more refuse and yard waste stickers than they need beyond June 30 can take advantage of a sticker buy back opportunity between June 18 – July 20, 2018 at Village Hall during normal business hours, Monday through Friday from 7 a.m. until 5 p.m.

Simply visit the Village of Lisle Business Office during this time and submit your unused stickers for a full refund. Stickers will not be refunded after July 20, 2018. Republic Services will then be refunding the Village for the returned stickers. To eligible for a refund, sticker must be unused, whole and have the backing intact.

Your selections may be submitted three ways: through mailing this completed postcard back to LRS, using our online survey or by calling us at **630.581.8650**. If you have any questions regarding this transition, please email **Service@LRSrecycles.com** or call us 8 a.m.-6 p.m., Monday-Friday at **630.581.8650**. In order to choose the service options that best suit your needs, we will ask you to select the following information as detailed within this booklet.
