LOOKING TO GET RID OF BATTERIES, PAINT OR HAZARDOUS WASTE?

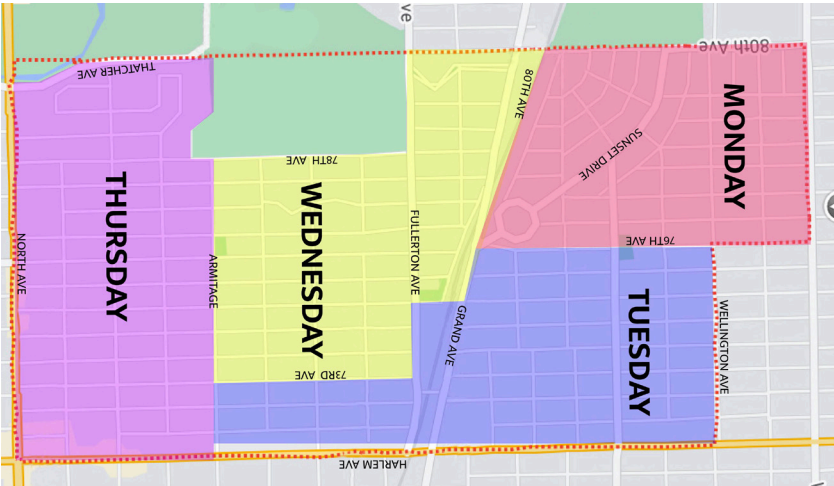

Single use batteries are always safe to be placed in with general trash though larger batteries, including those for a vehicle, including other automotive related materials, can be dropped off back at a mechanic shop or store where they are purchased at, as LRS also cannot accept any fuel, oil, propane or automotive fluids.

For dried out or empty paint cans – we are pleased to accept them loose for pickup, no limit.

If you have other items or materials that may not be classified as general refuse or recyclables, please check out these two options:

- Household Chemicals & Computer Recycling Facility at 1150 N. North Branch Street 312.747.9884
- Household Hazardous Waste Facility at 156 Fort Hill Drive Naperville, IL 60540 630.420.6095

SERVICE MAP

VILLAGE OF ELMWOOD PARK AND LRS
WASTE, RECYCLE & YARD WASTE/ORGANICS PROGRAM

Since May of 2019, LRS has been honored to be partners with the Village of Elmwood Park. As the exclusive residential waste, recycling and yard waste/organics hauler for the Village, we thank you so much for continuing to set a great example with your interest and enthusiasm for our services. Just as a reminder, our yard waste season runs annually from April 1 through December 1. LRSrecycles.com/ElmwoodPark

Should you have any inquiries or requests, please feel free to contact us between 7 AM and 5:30 PM Monday through Friday via email at Service@LRSrecycles.com or via phone at **844.NEED.LRS (844.633.3577)**. We also are pleased to accept text messages at 224.477.3196 with photos of bulk or unique items if you would like to reach out, please be sure to include your name, address and phone number with the photo.

IMPORTANT INFORMATION FOR VILLAGE OF ELMWOOD PARK RESIDENTS

BILLING INFORMATION

There are no billing changes at this time. **Residents are billed for refuse services through your water bill.** please reach out to the Village at **708.452.3900** with any questions or cart-related requests.

RECYCLING COLLECTION

As has been the case in the past, residents are encouraged to co-mingle acceptable recyclable items in their recycling carts. All food-based recyclables should be rinsed. **Plastic bags are not recyclable, and should not be placed in recycling carts.** There is no limit to the amount of recyclables that residents can put out each week for collection. As is the case with waste items, recyclable items must be under 50lbs. LRS may reach out to residents who regularly generate more recyclables than will fit in their carts to recommend a larger or second container.

- Recyclable items must be clean
- NO used paper plates or pizza boxes, or fluorescent paper (they contaminate the paper stream with food, dye, or plastic coating) If pizza box top is clean you can tear it off and recycle it
- NO paper towels, tissues, or napkins, which are not recyclable because the fibers are too small to reuse (please compost them with kitchen food scraps if possible)
- NO shredded paper – Loose shredded paper causes major sorting problems in the recycling facilities
- NO frozen food boxes, which are made of a hybrid of paper and plastic, and are not wanted by paper mills
- NO paper cups, which are made of a hybrid of paper and plastic rendering them unrecyclable

DID YOU KNOW?

LRS can partner with residents for more than waste and recycling. Whether you have a home renovation or outdoor event, LRS can help with the following additional needs.

PORTABLE RESTROOMS

As the second largest portable toilet business in Illinois, LRS provides safe and sanitary restrooms for any occasion, from construction job sites, to large events, to outdoor weddings. With four different types of units and over 10,000 units in stock, we will work with you to find the best model for your needs. Our portable restroom expertise allows us to ensure environmentally-friendly solutions restrooms and customizable options.

DUMPSTERS

LRS has expanded our temporary services division to create an easier customer experience, whether for a large construction site or a home owner with a renovation project. With nearly 20 years of roll-off dumpster experience, we guarantee service operations will be timely and above expectations. An LRS representative will work with you to select the appropriate box so that your project continues to run smoothly.

This enhanced service area will ensure that you have the proper equipment to handle any of your construction, dumpster rental and demolition projects. Lakeshore can make your waste removal even easier, no matter the project.

GENERAL COLLECTION GUIDELINES

All garbage, recycling and yard waste will be collected between the times of 7AM and 7PM on your collection day. Please place all items on your curbside or alleyway between 7PM the night before, and 6AM the day of collection. Containers must be removed from the curbside/ alleyway by 7PM on your collection day.

GARBAGE COLLECTION

There is no limit to the amount of garbage bags we will collect either placed loose next to your LRS cart or in 35 gallon or smaller personal containers - all 50 lbs or less in weight per bag or can full. Garbage must be inside of can with lid closed.

Please note: garbage mixed with yard waste, leaves or organic material will not be collected, as this material is not permitted in State of Illinois Landfills

BULK ITEMS

Bulk items (that do not fit into your refuse cart) are collected loose, on your regular day of service. If an item exceeds 50lbs, residents may need to call LRS to schedule a special pickup. If a "bulk" item is considered hazardous, unacceptable for landfills or deemed unacceptable to take as garbage, the item(s) will not be taken. Mattresses and box/bed springs are required to be in a plastic mattress cover and taped securely shut. Plastic mattress covers may be purchased at retail outlets such as Walmart, Lowes, Menards, Home Depot and storage unit facilities. Packaging wrap or trash bags cut up and taped around to cover a mattress or box spring are also acceptable options. Please call LRS to see if such items can be scheduled for a special pickup.

WHITE GOODS

"White Goods" are appliances that contain CFC, HCFC, PCBs, mercury switches or other hazardous components (refrigerators, air conditioners, humidifiers etc). These items will be taken but will need to be free of the above referenced material.

DIY CONSTRUCTION

If an item exceeds 50lbs, residents may need to call LRS to schedule a special pickup. Any items less than that should be bundled (ei. carpet) or placed in the container. If an item is considered hazardous, unacceptable for landfills or deemed unacceptable to take as garbage, the item(s) will not be taken. Paint cans should be emptied or mixed with kitty litter to dry out the paint.

YARD WASTE COLLECTION

Yard waste collection takes place on a seasonal basis, starting April 15th, and ending on December 1st. Residents can elect to use paper bags, brown craft bags or personal cans (35 gallons or smaller) with all options 50lbs or less in weight, per. Please place brush, limbs, branches or trimmings in bundled or twined stacks no larger than 4' in length and 18" in diameter, at your collection point.

CHRISTMAS TREE COLLECTION

Every January, we will annually collect your non-artificial Christmas trees as organic material - free of any tinsel, ornaments or lights. Trees can be left loose (never in bags) in the area where you have regular service for trash and recycling. Due to snow and ice, trees may not always be picked up on your service day as our drivers and trucks will be in the Village all month for pickups, at no additional charge.

ELECTRONIC WASTE

The Village has set up a **FREE** drop off location for electronic items located at the Public Works Facility, 7330 W. Fullerton Ave on weekdays between 8 AM and 3 PM. Call **708-452-3945** for more information.
