MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
TUESDAY	MONDAY	WEDNESDAY	THURSDAY	FRIDAY
WEDNESDAY	MONDAY	TUESDAY	THURSDAY	FRIDAY
THURSDAY	MONDAY	TUESDAY	FRIDAY	SATURDAY
FRIDAY	MONDAY	TUESDAY	THURSDAY	SATURDAY

SERVICE MAP:

VILLAGE OF GLENCOE AND LRS WASTE, RECYCLE & YARD WASTE/ORGANICS PROGRAM

Since 2015, LRS has been honored to be partners with the Village of Glencoe. As the exclusive residential waste, recycling and yard waste/organics hauler for the Village, we thank you so much for continuing to set a great example with your interest and enthusiasm for not only the importance of recycling but also organics materials.

We are proud to offer a variety of services in three different size carts (35-, 65- and 95-gallons) for trash and recycling, along with optional yard waste/organics collection between April 1 and December 15, on Wednesdays.

VillageofGlencoe.org/Garbage

Should you have any inquiries or requests, please feel free to contact us at between 8 AM and 5 PM Monday through Friday - **Service@LRSrecycles.com** or **844.NEED.LRS** (844.633.3577).

GENERAL GARBAGE COLLECTION PROGRAM GUIDELINES

Carts and other materials must be out for collection no later than 7 AM. In the event of a missed collection, residents should contact us directly at **844.NEED.LRS**.

Residents may not place garbage, recycling or yard waste out for collection for more than 24 hours in advance of the regularly scheduled collection.

Household garbage must be placed in plastic or paper bags and stored in leak-proof metal or plastic containers. Loose garbage will not be collected (this does not apply to special pickups).

Broken glass must be wrapped, labeled and placed in a separate container.

Residents who elect for curbside collection service must use a wheeled cart (35-, 65- or 95-gallon in size) provided by LRS. Residents who elect for top of drive service may use a 35- or 65-gallon wheeled cart or an independently purchased 32-gallon container with handles for lifting and tight-fitting covers (maximum of 3).

Top of Drive containers will not be collected if they are in a gated area or enclosed structure. LRS crews are not permitted to enter homes, garages, porches or other private property structures to collect garbage.

LRS will not collect building materials such as concrete, dirt, stone, brick, floor tile, roofing, shingles or lumber.

Garbage Cart/Can Options are as follows:

Once a Week Top-of-Drive Collection - Residents may use an LRS provided 65-gallon cart, or provide their own container that is no larger than 44-gallons. Limit of three containers.

Twice a Week Top-of-Drive Collection or Curbside Collection:

Residents provide their own container or use standard containers (listed above). Limit of three 44-gallon containers for Top of Drive Collection.

Once a Week Curbside Collection:

Residents must use an LRS provided, 65- or 95-gallon garbage cart or a 65- or 95-gallon garbage cart from the Village. Limit of two containers.

GENERAL CURBSIDE RECYCLING PROGRAM GUIDELINES

- Recycling in Glencoe is currently collected by LRS. Pick-up is once a week on your regular collection day.
- Place 95-gallon LRS recycling carts at the curb, with the handle facing your house, no later than 7 AM the day of collection.
- Mix all recyclable materials together in the cart, no separation is necessary with single-stream recycling, do not bag recycling materials.
- Items should be loose in the cart and not placed in a bag.
- For a list of acceptable items, visit VillageofGlencoe.org/Garbage.

Special Collections (Bulk Items) Guidelines

LRS provides special pick-up services at the resident's request. A special pick-up is for anything other than your regular household waste (furniture, mattress, carpet, boxes, etc.) but does not include hazardous waste (paint, gas, chemicals, etc.) or building material (wood, lumber, drywall, etc.). To schedule a special collection for oversized items, call us at **844.NEED.LRS**.

All special collection materials must be brought to the curb and must weigh no more than 50 pounds and be no longer than four feet in length. A 24-hour minimum notice is required.

White goods and appliances (washer, dryer, refrigerator, etc.) are available for collection by contacting LRS to schedule a pick-up. White good collection materials must be brought to the curb, and a 24-hour minimum notice is required.

A special collection can be scheduled on your regular garbage pick-up day or a supplemental pick-up can be scheduled due to an event generating additional regular household garbage.

Combined Food Scrap/Yard Waste Collection

Glencoe's combined curbside yard waste and composting service, allows residents to dispose of compostable materials, landscape waste and food scraps in biodegradable paper yard waste bags or curbside bins between April 1 and December 15. There are two options for utilizing this service: volume-based (stickers) and subscription (annual payment). Please note, the composting service is available if you do not need yard waste collection.

Subscription Service

Landscape waste subscribers may place unlimited bags or bundles of combined food scrap and landscape waste material at the curb each week on Wednesdays from April 1 through December 15. The annual subscription fee is included on your quarterly bill and does not require yard waste stickers. To subscribe, contact us at **844.NEED.LRS**.

Stickers

Residents, who are not subscribing to the annual combined food scrap and yard waste collection subscription service, must affix blue stickers to each biodegradable paper yard waste bag (no larger than 44-gallons) or bundle of branches/brush. Stickers may be purchased at the Grand Food Center or at Village Hall.

Food Scrap Composting Station

The Village also provides a food scrap composting drop-off station for residents, year-round and at no additional cost. The station is located at 320 Temple Court, behind the Public Works Garage and is serviced by LRS. The station is not intended for yard waste and only Kraft paper bags are allowed in the bins. Please do not place any plastic bags in the bins, including "biodegradable" bags.
